In June **Marion and Mark Manancourt**

(recently retired teachers from Lux I and II) plan to tackle the GR20 in Corsica, a long distance trail that traverses the island diagonally from north to south. It is considered to be the most difficult of all the GR routes and one of the most beautiful mountain trails in Europe

It involves

- +/- 180 km distance
- 16 days duration
- +/- 10 000m of ascent and descent

If you wish to help them raise funds for Actions Sans Frontières fill in a column below, save this page and send to marion.manancourt@education.lu.

When completed (hopefully June 24) we will reply to your email with final details of what we achieved. Please then transfer your donation directly to the ASF bank account:
