

The **“Relais pour la Vie”**, which is organized by Fondation Cancer since 2006 in Luxembourg, is an event conceived to show society’s solidarity towards patients who are suffering from cancer and to collect donations for research. (<http://www.relaispurlavie.lu>).

The relay track represents a cancer patient's journey from diagnosis to treatment to recovery - it symbolizes perseverance, persistence and demonstrates the will to stay strong.

So, join us and walk to support them in their fight against cancer.

This year, “Relais pour la Vie 2018” will take place in the Coque, from Saturday, March 24th at 8.00 p.m. to Sunday, March 25th at 8.00 p.m. 345 teams participate on the event. Our school participates with one mixed team (school staff and students of 4th, 5th, 6th, and 7th year), so we have to be 48 taking turns walking or running during 24 hours. There will be a switch every 30 minutes.

A registration list will be put outside the staff room. Priority will be respected. The fee for **registration** is **25€** and that includes the donation to the foundation and the personalised T-shirt with our school’s logo. The participants of last year’s Relais who want to keep their t-shirt will only have to pay **15€** as a registration fee. All registration fee should be paid by bank transfer to the bank account BCEE IBAN **LU59 0019 4455 4484 8000** (in the name of **Asimina KOUROU**) adding your name and the mention “Relais pour la Vie”.

At the same time for the ones who want to help the “Relais pour la vie” but for various reasons cannot participate on the relay, every day **during the break 11:10-11:30 there will be a box at the Teachers’ lounge for teachers’ donations.**

The students’ committee will organize the students’ donations for “Les Trophées de l'Espoir”. We should all keep in mind that **EVEN A CENT CAN MAKE A DIFFERENCE...**
