

To parents of Irish pupils (years 1, 2 and 3)
Optional course in Irish language

Dear Parents,

On entering year 2, Irish may be chosen as a third language.

Irish pupils in all years not taking Irish 3 language are entitled to follow a course in extra Irish. This will probably be for 2 periods per week and scheduled on a free afternoon. You are particularly advised against choosing more than 35 periods per week in years 4 and 5.

Please tick exactly one of the boxes below

- My child will take **language 3** Irish next year
*(N.B. This course must be started in year 2 and then continued at least to year 5.
The group will be combined with that for extra Irish, probably during a free afternoon)*
- My child will take **extra** Irish next year
- My child will not take any Irish course next year
