## INFORMATIONS CONCERNING NEW REGISTRATIONS

### 1 – NURSERY SCHOOL

Extract from the regulations:

A fundamental principle of the European Schools is the teaching of mother tongue/dominant language as first language (I1). This principle implies the pupil's enrolment in the section of his/her mother tongue/dominant language where such a section exists. The child will then remain in this language section throughout primary school.

It is sometimes difficult to decide which language is the child's mother tongue. Parents who are unsure about their choice of language section are welcome to meet us with the child before enrolling at school.

#### **Beginning of the nursery school year**

Children who attended the 1<sup>st</sup> year of the nursery school during the year 2008/2009 will begin school on Wednesday 2<sup>nd</sup> September 2009 at 8.35. School ends at 12.50.

New children will be welcomed on a rota basis during the first week, in small groups, beginning on Wednesday 2<sup>nd</sup> September at 8.35. This ensures them a gentle and easy introduction to school, with all the attention they need during their early days.

The starting date for each new child will be sent to parents in July. If you have not received this information by July 15<sup>th</sup>, please contact our nursery/primary school office from the 24/08/2009:

**Luxembourg I : Mme RIHOUX – Tél. 43 20 82 468**

**Luxembourg II : Mme MICHAUD – Tél. 26 685 931**

Parents will be able to visit the nursery department with their children at the following time. **(These visits are reserved for families having a statutory right to admission, category I and families category II).**
