

TO ALL PARENTS OF FIFTH YEAR PRIMARY PUPILS

1. On entry to the first year, all pupils choose a third language (the second foreign language) from the official EU languages for which a viable group (**at least 7 pupils**) exists and for which a qualified teacher is available.
2. Parents of category 1 or 2 **Irish pupils** may also elect for their children to study ONL (Other National Language) **Irish**.

ONL courses in the **Swedish language** will be organized next year for category 1 or 2 pupils in the Finnish section who want to learn Swedish. ONL courses in **Finnish language** will also be organized next year for Finnish pupils of category 1 or 2 in the Swedish section who want to learn Finnish. It is not yet possible to say on what day and at what time the courses will take place. In particular, if you opt for a Irish, a Swedish or a Finnish course, note that this will probably be on a Tuesday or a Thursday afternoon.

In order to arrange these courses, we need to know the number of pupils who will actually participate.

The timetable thus created is fixed, and teachers are employed on the basis of these choices. For this reason **no changes of subject can be accepted after July 01, 2021**. This applies to all courses, including religion/ethics.

This year, the option choice forms for year S1 are to be completed electronically from the link that will be sent to the child's email address. This electronic form must be completed by **Friday 29th January 2021** at the latest.

To help you to complete this electronic form, the document on the next page presents the information that will be requested when you log in and can be used as a support in your choices. Please note that once you have validated your choices electronically, it will not be possible to modify them afterwards. Any request for modification will be taken into consideration if it is submitted in writing to the secondary school coordinator (Mr Emmanuel Couché – emmanuel.couche@eursc.eu) before 1st July 2021 and will only be accepted in exceptional cases.
