

Luxembourg I

TO THE PARENTS OF PUPILS IN THE 2nd YEAR OF THE SECONDARY SCHOOL

I would like to draw your attention to the following points concerning the **third** year curriculum:

1. Human Science (History and Geography) and Religion/Ethics courses

These subjects will be taught in the pupil's second language (L2) from the 3rd year onwards.

2. Art, physical education and music courses

These courses will be taught in multilingual groups. The language of the course depends on the availability of the teachers, and will be mainly one of the vehicular languages: DE, EN, FR.

3. ICT and Latin

From the 3rd year on, ICT may be chosen as a 2 period option for those students who have not started the study of Latin in S2. Pupils who had chosen Latin in S2, will continue with that option in S3. All pupils then will be able to choose ICT as an option in S4, irrespective whether they have Latin or not.

The ICT course is organised also in multilingual groups, depending on the teacher available: DE, EN and FR. The Latin course will be continued in the same groups as in S2.

All choices are binding for S3.

4. Changes

Please note that the timetable is organized, and teachers are allocated, according to the number of students choosing the course, so no alterations to these choices can be accepted after July 01st 2020.

This applies also to the Religion/Ethics course. If you wish to change your child's Religion or Ethics course, please indicate this now.

This year, the option choice forms for year S3 are to be completed electronically from the link that will be sent to the child's email address. This electronic form must be completed by **Friday 29th January 2021** at the latest.

To help you to complete this electronic form, the document on the next page presents the information that will be requested when you log in and can be used as a support in your choices. Please note that once you have validated your choices electronically, it will not be possible to modify them afterwards. Any request for modification will be taken into consideration if it is submitted in writing to the secondary school coordinator (Mr Emmanuel Couché – emmanuel.couche@eursc.eu) before **1st July 2021** and will only be accepted in exceptional cases.
