During free periods or in the case of the absence of a teacher who cannot be replaced,

1-5- Permission to leave in the secondary school

- Only S6 and S7 pupils have the right to leave the school grounds during free periods with consent of the parents. For the permission a form must be filled in and signed by parents or major pupil at the beginning of the school year.
- Depending on their timetables, S1-S5 pupils can be allowed to be absent when a teacher is absent at the beginning of the school day (permission A) or to leave school earlier when a teacher is absent at the end of a school day (permission B). With their parents' written permission, pupils in year 5 Secondary may leave the school premises when they have no lessons timetabled during lunch time, i.e. period 5 and/or 6 and, in very few exceptional cases, period 4 or 7. It must be made clear that the absence of a teacher cannot be considered as a free period.
- For permission A+B+C, a form, which must be filled in and signed by parents, will be given to pupils on the first day of term.
- In very exceptional cases a pupil can be permitted to leave school during free time between two lessons. This request must be made in advance in writing to the Director who will, in appropriate cases, give his agreement.

2- ABSENCES

Attendance in lessons is governed by the rules established by the Board of Governors in March 2005: *"Justified absences are those correctly notified for illness and those agreed by the Director for personal reasons (the request must be made 8 days before). It is not, however, possible to liberate a pupil just before or after a holiday period."* Article 30 of the General Rules; see also www.euroschool.lu.

2-1- Absences recorded

All absences are recorded. For pupils under 18, each absence of one or several school periods must be justified in writing by parents. Pupils over 18 may justify their own absences. The absences can be justified via e-mail, sent at the address specified in the platform SMS-MySchool <https://sms.eurasc.eu> after Attendance issues over the last 14 days , contact the advisor in charge. The e-mail will be received only if it is sent by an e-mail address registered in SMS by one of the parents.

2-2- Absences from lessons

Pupils are not allowed to be absent from lessons without having first asked the principal counsellor or the counsellor responsible for his/her year and obtained his/her agreement.

In case of illness, a pupil cannot go home directly: (s)he must first report to the infirmary (C-002).

After any absence, in order to return to class:

- a) The pupil must present an excuse form, completed and signed by parents, which will then be examined by the counselling service (office B-001) before the pupil can return to class. (S)he can then present an entrance slip to teachers who ask for it.
- b) After two days of absence, in order to be allowed back into class, the pupil must present an excuse form accompanied by a **medical certificate**. A booklet of excuse forms/entrance slips is given to each student on the first day from the counsellors.

Pupils cannot leave the school without prior permission.

If a pupil needs to go to the infirmary, (s)he must be accompanied by a fellow pupil chosen by the teacher. (S)he must then place the excuse slip, which will be given by the nurse, in the absence box.

2-3- Absences from Physical Education

Permission not to participate in a Physical Education lesson must be requested in advance from the teacher concerned. The teacher will keep the pupil in the gymnasium. For long-term exemption, **a written request addressed to the director and accompanied by a medical certificate is required for each term/semester.** The sport teacher, in agreement with the counsellor of the year, may give the pupil permission to go to room C-007 or in the library, in very exceptional cases and after a written request from the parents addressed to the director, to come later or to leave the school.

The counsellor of the year will prepare a document and give this document together with a copy of the medical certificate, the parents' request and, where relevant, the permission to leave to the teacher.

2-4- Absences from tests and examinations

2-4-1- justifications:

- a) Classes 1-3: an absence can be justified only in the case of illness or another very serious reason. A note signed by parents giving the reason must be given to the school.

- c) Classes 7: **Any absence to a test, a long test or an announced exam which is not justified by a medical certificate or the director's prior permission leads to a zero mark.**

For a non justified absence to a part examination or a written or oral exam, see the Arrangement for Implementing the Regulations for the European Baccalaureate (Article 8.1.).

2-4-2- practical measures:

- a) Classes 1-3: the parents' note should be given to the counsellor who will pass it to the concerned teacher.
