Following the decision of the Board of Governors of the European Schools, the 2 European schools in Luxembourg have outlined the procedure that will be taken for the temporary and extraordinary admission of displaced Ukrainian pupils to the European Schools in Luxembourg.

The temporary admission of Ukrainian pupils to the European Schools in Luxembourg will also be in accordance with the European Council Implementing decision ((EU) 2022/382) of 4 March 2022 introducing temporary protection due to the mass influx of persons fleeing Ukraine as a consequence of the war. The definition of Ukrainian children is in terms of Article 2 of the above-mentioned document.

The following categories of displaced Ukrainian children can be enrolled :

1. displaced Ukrainian children of local agents of EU representations from Ukraine,
2. displaced Ukrainian children hosted by EU officials or other agents of the EU,
3. displaced Ukrainian children hosted by staff members of the European Schools.

Category 1 Pupils

Children who fall under Category 1 (persons employed in a European Union institution – civil servants / *fonctionnaires*) will follow the established enrolment procedures.

4. The 2 liaison officers will keep daily contact so as to ensure that there are no multiple applications in the schools.
5. While the application is sent to one school, this does not guarantee entry to that particular school. The 2 schools will collaborate to place such pupils amongst the 2 schools and keeping in mind the best interest of the pupil concerned as much as possible.
6. Once an application is received by the school, the application will be evaluated at school level. Various factors will be considered, including:
- Whether the pupil is hosted by a family connected to the school (parent or staff member).
 - Linguistic competences of the pupil.
 - Class size (Splitting of classes due to a temporary admission is not allowed).
 - The resources available in the school which will benefit the pupil.

7. If the school can welcome the pupil concerned, the temporary admission will be granted.
8. When filling in the Application Form – Part 1 and Part 2 (see Annex 1), it is important to add the requested documents if they are available and in possession. A privacy statement for information of how data will be collected and processed is found in Annex 2.
9. The temporary student placement will be up to the end of the school year in July 2022.
10. The temporary admission of Ukrainian pupils does not involve any school fees. This is valid for the time of operation of this admission (up to July 2022).
11. Once a pupil is admitted to a school, the Deputy Director of the cycle concerned will organize and implement the necessary pedagogical accommodations.
12. The school will assign the pupil into the year group and language section that best benefits the pupil concerned.
13. Pupils admitted temporarily into S6 and S7 will not be able to sit for and obtain the European Baccalaureate.
14. Pupils admitted to other year groups will not be provided with the standard school reports due to the fact that the school year is well-advanced. However, in July schools may consider providing the pupil a general report stating the subjects studied and any other general comments and observations that can be made at that time.
15. Once a pupil is admitted to a school, the parents/ hosted family will liaise with the parents' representatives (for Lux I : <https://www.apeeel1.lu/> ; for Lux II: <https://www.apeeel2.lu/>) in order to look into transport and canteen services and extra-curricular activities, if needed and if possible.
16. The parents/ hosted family also liaise with OIL (CPE, <https://ec.europa.eu/oil/social-infrastructure-en.html>) in the case that after school care were necessary.
17. During the pupil's admission to the school, they will have access to the school's facilities, services and programmes. The schools have the possibility of adapting an educational programme in relation to the needs of the pupil concerned.
18. Due to the constraints of space in the European Schools in LUXEMBOURG, there may be a limit to the number of pupils accepted in a particular school. This will be decided upon on a case by case basis.
19. At the end of the school year, in July 2022, this temporary programme will be reviewed and evaluated.

'Personal data' means any information related to an identified or identifiable natural person. In the School the 'data subjects' are in particular the pupils, and the legal representatives/parents.
