Pupils may not go to their bags or coats during an examination. No items are allowed on the floor by your desk. Pupils who finish before the exam's end time may present their answer paper to the invigilator at the end of their exams: Pupils must leave the building immediately and not linger or wait by the toilets.
 - pupils must stop writing once an examination has been declared finished by the invigilators.

9. When a pupil is absent due to illness, he/she must hand in a medical certificate to the educational adviser of the year at the very latest the following day. He/she will be informed by the educational adviser regarding the substitute examination(s) organised for him/her. The substitute examinations will normally be organised on the 21 and 22 June 2022.
