

Dear Guests of honor,
Dear Guests,
Dear Colleagues,
Dear Friends,

It is a great pleasure to celebrate our 70th anniversary with you.

We are very proud that we, as Ecole Européenne Luxembourg 1, are the "primus inter pares" - the first among equals - and that the successful story of the European Schools began here.

- Join us for a varied conference,
- Visit the Pedagogical Fair in the entrance hall of the secondary school with the theme "United in Diversity" and
- Enjoy with us the photo exhibition in the secondary canteen, created by students of our school.

A special THANK YOU goes to all students, teachers, technicians, secretaries, assistants, musicians, friends and partners, without whom this day would never be possible.

I wish you all a wonderful day at our school, with exciting conversations, interesting discussions, inspiring speeches and most of all the joy of making new friends.

On behalf of the ES70 organisation committee

Sandra Ribić
