

To all pupils of-S5-S6

NOTICE CONCERNING THE
2023-2024 SEMESTER 1 EXAMINATIONS (« COMPOS »)

1. The school will provide all necessary paper for the exams, from S5 to S6. Pupils cannot remove any paper used during the exam from the examination room. Exam answers must be written in black or blue ink. No correction fluid (for example "Tipp-Ex"), no erasable ink allowed.
2. Unauthorised materials are not allowed in the examination room. Pupils ignoring this rule risk having their examination declared void. Bags and coats must be left outside the examination room (petite salle de fete). Pupils may not go to their bags or coats during an examination. No items are allowed on the floor by your desk. Neither mobile phones nor headphones nor smartwatches are allowed in the examination room. In addition, for S6 pupils no watches are allowed in line with the Baccalaureate regulations.
3. No communication with other pupils is permitted during an examination. Pupils are neither allowed to borrow items or papers from other pupils nor to disturb other pupils in any way during an examination. Any questions should be directed to the invigilators.
Any attempt at fraud will be punished by a score of 0. In addition, the administration has the right to consider other measures.
4. **Pupils may not leave the examination room nor present their exam answer paper during the first period of an examination.**
Pupils who finish before the exam's end time may present their answer paper to the invigilator.

For S5-S6 pupils:

- at the end of their exams, pupils must leave the building immediately and not linger or wait by the toilets.
 - pupils must stop writing once an examination has been declared finished by the invigilators.
 - during the final 10 minutes of an exam pupils must remain at their desks until their script is collected by an invigilator. Pupils must not go to the invigilators' desk.
5. Pupils may go to the toilet 1 period after the start of the examination, after having been registered on the ad hoc register.
 6. For S5 pupils: The only drink permitted in the examination is water in a plastic bottle. Cans and glass bottles are not allowed. Eating is not allowed during an examination. If a student needs for health reasons to consume food during the exam, this must be placed on his/her desk. Students should not disturb other candidates by opening packets. Only small snacks (like candy or muesli bars, dry fruits, and similar) are allowed; invigilators may take some food items away if they are not considered as appropriate.

For S6 pupils: The only drink permitted in the examination is water in a plastic bottle. Cans and glass bottles are not allowed. If a student needs to consume food during the exam, this must be placed on his/her desk. Students should not disturb other candidates by opening packets. Only small snacks (like candy or muesli bars, dry fruits, and similar) are allowed; invigilators may take some food items away if they are not considered as appropriate.

7. **Calculator:**

For S5 pupils:

according to the syllabus and the decisions of the Board of Governors, a non-CAS but graphing calculator with the specification given in the appendix of this document, which are met by the Numworks, is the model actually recommended by the mathematics teacher at our school.
Pupils must bring their own calculator, fully charged. Pupils cannot share calculators.

For S6 pupils:

according to the syllabus and the decisions of the Board of Governors a non-CAS but graphing calculator with the specification given in the appendix of this document, which are met by the TI82 and the Numworks which are the models actually recommended by the mathematics teacher at our school.

Pupils must bring their own calculator, fully charged. Pupils cannot share calculators.

8. Pupils must indicate at the top of each exam page:

- their family name and first name.
- their class
- the course
- the name of the course teacher

9. Pupils are responsible for arriving on time; **additional time will not be given for late-comers**. Students should arrive 30 minutes in advance for the exam. Late comers are admitted subject to the Director's approval.

10. When a pupil is absent due to illness, he/she must hand in a medical certificate to the educational adviser of the year at the very latest the following day. He/she will be informed by the educational adviser regarding the substitute examination(s) organised for him/her. The substitute examinations will be organised the 9th and 10th January 2024 for the S5, and the 14th and 15th December 2023 for the S6.

In case of unjustified absence, the test mark will be a zero.

Pupils are reminded that they must attend classes until 21st December at 13:00.

Carol LEMARIÉ
Deputy Director

APPENDIX

Required functionalities

- Trigonometric functions
- Exponential & logarithm
- Numerical equation(s) solving
- 1-Var & 2-Var Statistics
- Factorials & combinations
- Binomial distribution
- Normal distribution
- Functions : Table of values
- Numeric integration
- Numerical differentiation
- Graphing

Forbidden functionality:

- Computer Algebra System

CALENDAR OF EXAMINATIONS 1st SEMESTER

5th YEAR

EXAMINATIONS TAKE PLACE IN THE “SALLE DES FÊTES”

Possible re-sit examinations will take place on the 9th and 10th January 2024
5th year pupils will be free on Wednesday 13th December 2023 from 13:00 onwards.

<i>Day</i>	<i>Date</i>	<i>Hour</i>	<i>Subject</i>	<i>Duration</i>
Thursday	14/12/2023	8:45	L1	3 periods
		14:00	HIS	2 periods
Friday	15/12/2023	8:45	BIO	2 periods
		12:00	L2	2 periods
Monday	18/12/2023	8:45	MA6	3 periods
		8:45	MA4	2 periods
		14:00	LAT/ONL	2 periods
Tuesday	19/12/2023	8:45	CHI	2 periods
		12:00	L3	2 periods
Wednesday	20/12/2023	8:45	PHY	2 periods
		12:00	GEO	2 periods

6th YEAR

EXAMINATIONS TAKE PLACE IN THE “SALLE DES FÊTES” (EXCEPT FOR ART AND MUSIC)

Possible re-sit examinations will be taken on 14th and 15th December 2023

<i>Day</i>	<i>Date</i>	<i>Hour</i>	<i>Subject</i>	<i>Duration</i>
Monday	04/12/2023	8:45	L1	4 periods
		14:00	ECO / LAT	3 periods
Tuesday	05/12/2023	8:45	AR4	5 periods
		14:00	GE4	3 periods
Wednesday	06/12/2023	8:45	PH4	4 periods
		8:45	<i>PH2</i>	<i>2 periods</i>
Thursday	07/12/2023	8:45	L2	3 periods
		14:00	PHY	3 periods
Friday	08/12/2023	8:45	L1A / L2A	4 periods
		14h00	BI4	3 periods
Monday	11/12/2023	8:45	MA5	4 periods
		8:45	MA3	3 periods
Tuesday	12/12/2023	8:45	L3	3 periods
		14h00	HI4	3 periods
Wednesday	13/12/2023	8h45	CHI / ONL	3 periods
		14h00	L4 / MU4	3 periods
