

S3 SUBJECT CHOICE FORM 2024-2025

TO ALL PARENTS OF S2 PUPILS

Dear parents,

To start planning the next schoolyear, we kindly ask you to fill in the following document. Upon entry into the third year of secondary, the following points will change for your child:

- **Human Science (History and Geography) and Religion/Ethics**

These subjects will be taught in the pupil's second language (L2).

- **Art, physical education and music courses**

These courses will be taught in multilingual groups. The language of the course depends on the availability of the teachers, and will be one of the vehicular languages: DE, EN, FR.

- **ICT and Latin**

In S3, students can take a two-period ICT option. The language of the course is EN, DE or FR, depending on the teacher available.

Students who took Latin in S2 will continue with the same group. As mentioned last year, they cannot take the ICT option and cannot drop Latin at this stage. However, in S4, ICT is open to all students.

The parents of pupils of Irish, Maltese or Finnish origin -regardless of the language section the pupil is enrolled in, may choose to have their children study Irish, Maltese, Swedish or Finnish as Other National Language. ONL is taught two periods per week. The creation of ONL courses is subject to teacher availability. It is not yet possible to indicate the exact time these courses will take place. It is possible that this will be during the student's free afternoon.

Please verify if the pre-filled information is correct and return this document duly signed and completed to your child, who will give it to its class teacher. The deadline is **2 February 2024**. Please note that the choices indicated in this document, will be definitive. The class and course division and the attribution of teachers will be based on the information given. For this reason, changes can be accepted only exceptionally. This applies to all courses, including religion/ethics. Any request for modification will be taken into consideration, only if it is submitted in writing to the cycle coordinator S1-S3 (Mr De Rijcke – nikolaas.de-rijcke@eursc.eu) before 1st July 2024.
