IMPORTANT INFORMATION

*** In case of a health problem requiring special monitoring and/or medication:**

An Individualised Care Plan (Projet d'Accueil Individualisé_PAI) signed by the doctor treating the child and the Ministry of Health, as well as the necessary medication, must be given to the nurses in the medical service as soon as the child starts school.

If your child does not have a PAI, please also inform the nurses.

*** In case of food allergy/intolerance, parents are responsible for the preparation of specific meals:**

EELux1:

*** Registration for the canteen is the responsibility of the parents. Sodexo: www.sodexoeducation.lu**

- Hypoallergenic meal tray : [Procédure allergies Ecole Européenne EN \(euroschool.lu\)](#)
- A "food from home diet" is prepared by the parents

EELux2:

*** Registration for the canteen is the responsibility of the parents. Sodexo: www.sodexoeducation.lu**

- Hypoallergenic meal: please contact Sodexo
- Registration for the canteen is the responsibility of the parents.
- A "food from home diet" is prepared by the parents

In the event of a serious accident during the school term:

The school reserves the right to request the assistance of the emergency and intervention services. In this case, the care and transport of the pupils to the hospital unit on duty will be entrusted to and ensured through the ambulance service. (cf. MEMORANDUM)
Parents are immediately informed.

The information in this document is confidential and will be kept in the medical booklet and will only be given to the staff in charge of your child if necessary.

When your child leaves school, you can pick up his/her medical booklet at the infirmary.

The Medical Service remains at your disposal.

Date : **Signatures of the parents :**
