 - LI is taught from primary year 1 and is the language of the section in which the pupils is enrolled. For categories I and II pupils in a school with no section corresponding to their mother tongue, special regulations are applicable.
 - LII is taught from primary year 1: it may only be DE or EN or FR and must be different from LI.
 - In secondary years 3, 4 and 5 a pupil's LII (DE, EN or FR) is his/her vehicular language for human sciences, history, geography, economics and religion or non-confessional ethics.
 - LIII is taught from secondary year 1; it may be any official language of the EU countries not being studied as LI or LII. LIII in year 1 is a beginners' course.
 - LIV is taught as an option from secondary year 4; it may be any official language of the EU countries not being studied as LI, LII or LIII. LIV in year 4 is a beginners' course.
 - Special arrangements are in place for the teaching of Irish, Maltese, Finnish and Swedish as Other National Language (ONL). ONLs are offered in both schools subject to teacher availability. The two European Schools promote cooperation.

The last 2 years of compulsory education (grades 9 and 10) can be followed either in high school (lower cycle of high school) or in arts and trades school (vocational education). Graduates of arts and trades schools can continue their studies in a completion year at the end of which they have the right to enter the upper cycle of high school.
