### 3. MESSAGE FROM THE TEACHER TO THE PARENTS / ADDITIONAL INFORMATION

### MESSAGE DE L'ENSEIGNANT AUX PARENTS / INFORMATIONS SUPPLEMENTAIRES

Dear parents,

Welcome to P5ENA! I am super excited about the year ahead and cannot wait to get to know you all! Before we start our adventures together, it is however important to ensure the children have all the needed materials.

I will purchase notebooks, a black folder for transporting papers between home and school as well as a whiteboard and a whiteboard pen for each child so you do not have to go and buy these. There are however books and other materials that each child will need. Please provide all materials in the beginning of the school year, for example all the extra ink for their friction pens, so that it is there when refill is needed. These "extras" the children will then keep in their lockers in the classroom. The extras should be stored in a plastic pocket or an extra pencil case so that they do not fall off from their lockers. Thank you!

I wish you all a wonderful summer and see you in September!

Kind regards,  
Johanna Kekki
