There are over 40 rope, bridge and swing obstacles in total, with 10 zip lines and dual zip lines where you can double up for this unparalleled experience.

ACTIVITY 2

Disc Golf
A dynamic take on traditional golf, this game is tons of fun for kids and adults alike. A Frisbee replaces the club and ball to complete the 12-hole disk golf course, in the least number of throws. It's a unique way to explore this beautiful area as you walk from hole to hole, with a healthy helping of competition to propel you along the way. A great game of precision and fun.
